REMARKS

The reference cited on attached form PTO-1449 is being called to the attention of the Examiner. A copy of the reference is enclosed. It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the reference be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

The enclosed document listed on the herewith Form PTO-1449 was cited in "Summons to Attend Oral Proceedings Pursuant to Rule 71(1) EPC" issued in a foreign counterpart application not more than three months ago. To the best knowledge of the undersigned, this is the first citation of this item in any communication from a foreign patent office in a counterpart foreign application.

Applicant believes that no fee is required for submission of this statement, since it is being submitted prior to the first Office Action. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 06-1050. If necessary, please deduct any necessary additional fees from, or credit any overpayment to, the above-noted Deposit Account.
